Programme Highlights

Mapping the Future: "One Belt, One Road" in Perspective
What are the implications of “One Belt, One Road”? What should we do to grasp the business opportunities out there? Hear from the experts.

The Next Era: Internet of Things
Internet has redefined the way we communicate. It reshaped the mode of business as well. With Internet of Things gaining popularity, how will this new innovation inject new elements in our lives?

Hong Kong: Asia’s Trendsetter
Hong Kong is at the heart of Asian business. With its fusion of Eastern and Western culture, as well as its cutting edge range of lifestyle products and branding services, it is recognised by middle-class both on the Chinese mainland and in Southeast Asia as a lifestyle trendsetter. How can companies leverage on Hong Kong’s advantages as Asia’s trendsetter to expand their business?

Young Leaders’ Panel
The young business leaders share their vision of running their family business and youth development in Hong Kong.

Luncheon Dialogue with Women of Power
Nowadays, women gain international respect. They walk different paths, play different roles, break through the glass ceiling and earn their own success.

The Capital of Art Treasures
Hong Kong used to be described as a desert when it came to arts and culture. But the time has passed for people to make such comment. Listen to what the art lovers describe the evolvement of Hong Kong from a desert to oasis.
