

Olivier Partrat
Director and Founding Partner
Evergreen Land Ltd

Mr. Partrat, a French citizen, 51, is director and one of the 3 founding partners of Evergreenland Ltd, having its headquarter based in Hong Kong since 2006. Mr. Partrat has a long career in the industry, firstly, from 1988, in charge of the business development of the pharmaceutical and cosmetic glass division of the French multinational Saint Gobain.

Mr. Partrat has been since 1995 the co-founder of an industrial company in the cosmetic sector.

In 2006, he has decided to fully dedicate his time and energy to the development of Evergreen Land Ltd worldwide with his 2 partners.
