Sponsoring the Hong Kong Forum TO WORLDWIDE AUDIENCE

What is the Hong Kong Forum?

The Hong Kong Forum is the annual flagship event of the Federation. Every year, around 400 associates of the Federation converge in Hong Kong from more than 26 countries and economies. They come to learn about the latest development of Hong Kong and also to upgrade their knowledge of the Chinese mainland.

In its 19th year, the Hong Kong Forum continues to provide a comprehensive programme of high calibre Hong Kong business leaders, including panel discussions with successful enterprises, briefings from senior HKSARG officials, networking events, practical workshops, company visits and a side trip to the Chinese mainland.

How can you benefit?

The presence of your company at the Hong Kong Forum will make a strong impression on our participants, as a **key supporter of Hong Kong's trade development initiatives** and as a **leading company in your industry**. As a sponsor, you will also be able to network with the participants, who are potential clients, partners and multipliers for your company.

To be featured in the Hong Kong Forum, you can either be a **Platinum/Gold/Silver Sponsor**, with which your brand can be highlighted prominently during the Forum. You can also take these potential clients to your doorsteps by being a **Farewell Dinner Sponsor** or **Privilege Pack Sponsor** through offering **incentive coupons or in-kind**.

To suit your promotional needs, **tailor-made sponsorship packages** are also available upon request.

The Federation of Hong Kong Business Associations Worldwide

The Federation of Hong Kong Business Associations Worldwide (the Federation) is a unique network of **42 Hong Kong Business Associations in 31 countries** and economies with more than 13,000 individual associates.

These Hong Kong Business Associations were founded by overseas traders, buyers and professionals who have strong business links to Hong Kong in their respective countries, for the purpose of networking and exchanging business information and ideas.
