Dear Association & Chapter/Section Heads,

We are pleased to host about 800 participants virtually to attend the regional webinar sessions targeted for the business association communities in Europe and Asia on 10 June 2021. In addition to the interactive discussion on Hong Kong as an international business hub to connect global trade and investment opportunities, the post-webinar live networking sessions also connected members and speakers to carry on more in-depth exchange and partnership exploration.

If you would like to rewatch the webinars or share the insight with your business contacts, the recorded sessions are available at:

Asia Webinar | Hong Kong as an International Innovation Hub: New Opportunities and Partnership for Asian Companies: <https://www.hkfederation.org.hk/node/2043>

We would be grateful if you could share the videos with your fellow members as well.

Once again, your support to the Federation and Hong Kong is very much appreciated. We look forward to seeing you in the coming Federation's events!

Best regards,

Irene Hau
Secretary
